

ERIE WORKS

The state of Ohio is located on the Northwestern section of the midland U.S. The word “Ohio” is translated as “the great river” or “the great river” in an Algonquian language.

Lake Erie is one of the five great lakes in this region where nature still blesses this space.

ERIE WORKS is a place of an urban women vividly living their life while longing of her home town with beautiful lake.

Quality while enduring, and joy of possessing.

We would like to offer the “Love” we feel subtly feel everyday.

Like a charming better half, we stand next to you on exceptional days and on days when we feel lost.
